

## WATERSHED PROTECTION DEPARTMENT

### MEMORANDUM

**TO:** Mayor and Council Members

**FROM:** Chris Herrington, Environmental Officer  
Watershed Protection Department

**DATE:** June 25, 2020

**SUBJECT:** **Staff Response to Resolution No. 20190131-040**

---

On January 31, 2019, Council passed Resolution No. 20190131-040 directing staff to initiate site-specific amendments to the Land Development Code, including Chapter 25-8, Subchapter A, Article 13 (Save Our Springs Initiative), contingent upon the property owner submitting a site development permit application. This memo is to confirm that the property owner has not yet submitted a site development permit application. Because the Watershed Protection Department cannot process the request without an application and no application has been submitted after more than a year and a half, this item is now completed. Please contact Chris Herrington at 512-974-2840 if you have further questions.

Thank you.
